Miss Martha Agnor

Whenever we had aches or pains, she soothed them;
Whenever we had troubles, she took them on herself;
Because she's our Mother-Sister-Dean of Girls,
We dedicate the 1959 *Knight* to Miss "A."

In Memoriam

Ray McCaskill

"THE GARDEN THAT I LOVE"

The garden that I love is full of Rest;
God's own fair Acre, where His dear ones lie,
In the safe shelter of the kind earth's breast,
Waiting His Easter dawning up the sky.

Florence L. Henderson

Great works, acts, and deeds of an outstanding caliber are seldom very popular in their own day; KNOWLEDGE is on the march, and men of genius and great leadership ability are in advance of their followers. They are not with them, but before and beyond them. Consequently, the eternal values of time demand of each of us that we use the ever-running hours to the best of our ability and meet time with reverence and the opportunities with zeal.

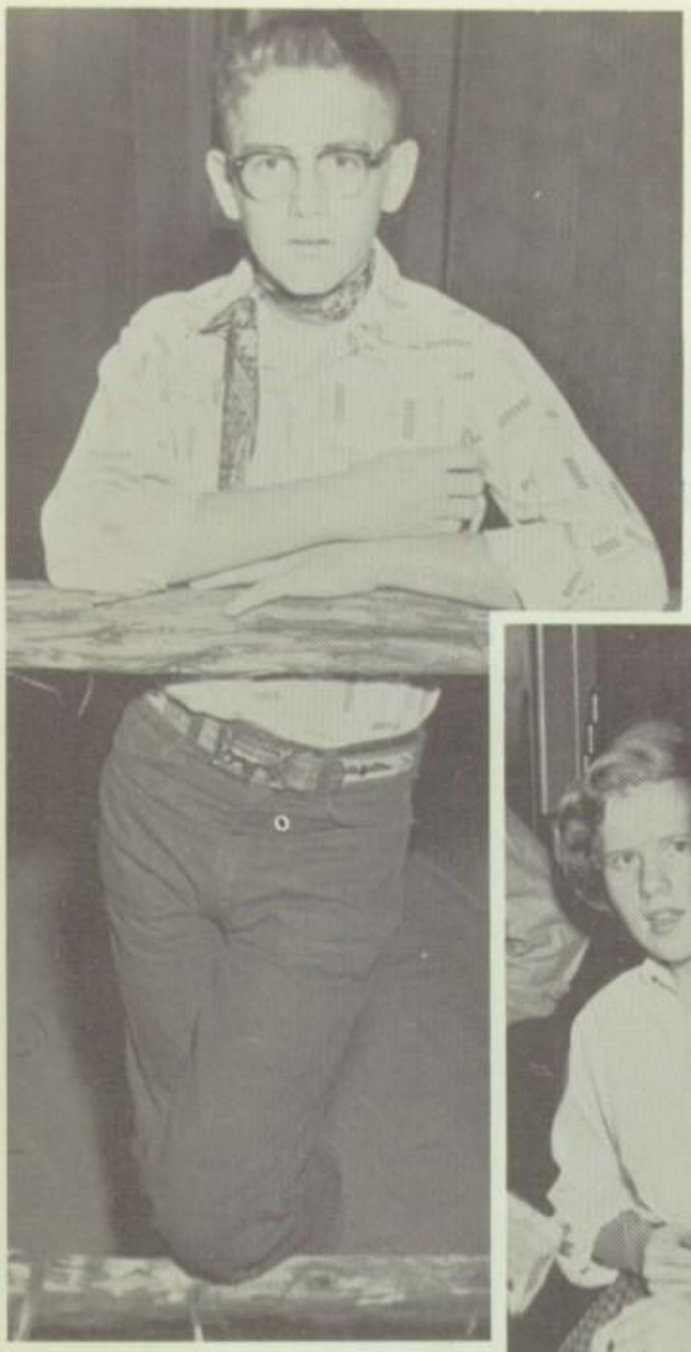
Six-Year Seniors



"Six-year Seniors" is an expression which startles strangers to McCallu but is symbolic of that group unique in McCallum's history—the graduatin class of '59. On entering McCallum on that first day in '53 these studen found themselves dwarfed by people who are now figures in McCallum history. They grew up quickly in a society dominated by the names Wyma Shafer, Fisk, Shelby, Rouse, Yeaton, Tampke, *et al.*

The confusion that most of them felt is reflected in the face of *Ken Hemingson* at the Western Dance climaxing Howdy Week. That day everyon wore western costume—one Knight even brought his horse and six-guns.

Watching from the sidelines *Deirdre Malk emus,* and *Barbara McKinley; Jimmy Shafe Ginger Mayfield, Larry Cahill,* and *Bill Wittner; Ann Lloyd* and *Joe Witherspoo* enjoy the square dancing, folk dancing, var iety show and presentation of the friendlies

James Williamson, James Hester, Dal Parker, Joe Main, Jimmy Shafer, Curti Young, Jackie Kerner, and *Lewis Smit* show varying shades of enthusiasm at one o the pep rallies.

It wasn't unusual to go to the junior hig dances without a date—for few of the boy could drive well enough to be trusted wit

he family car. Decorating the girl-tag line are *Libby Harvey, Cecelia mall,* and *Linda Schutze*. Some people vere lucky enough to have dates—for xample, *Eugene Reeder* and *Bobbie Roper; Dorothy Langston* and *Billy Gene Gault.*

Reaching the security of sophomore tatus, *John Craig, Cecilia Rabun, Frank Oatman,* and *Ellen Watson* cap-ured prizes for their costumes at the Latin Club banquet. *Mary Magee* (in the foreground) and *Robert Pinkston* (in the background) observe the festivities.

Because they had supported the McCallum High Knights while cheering heir own McCallum Junior High Scotties, they found it easier to assume the roles of high school students. This group will always remember that tho each chool had its separate activities, together they had the spirit of oneness that has made McCallum's traditions great.

Jerry Squyres (22), *Riley Parker* (30), backed up by *Gene Mallard* (85), rush in to stop a Miller Buccaneer.

Miller Scores Each Quarter to Drop Knights 47-0

The Miller Buccaneers broke McCallum's first-game tradition as they dropped the Knights 47-0. This marked the fourth time in history that the Knights had failed to score in a non-district game.

The Buccaneers struck fast and often to rack up the largest margin of victory ever recorded against the Knights. The Knights allowed 405 yards to the 168 they made themselves.

Miller scored first on a 65-yard burst over tackle by their fullback and scored last on a 46-yard run and pass play from quarterback McHorse to halfback Smith.

Between these touchdowns the Bucs scored five others, the most spectacular of which was 70-yard stab at tackle by 200-pound fullback Kenneth Tuggle.

For the Knights, individual stars were not prevalent. However, in the line, co-captains Riley Parker and Terry Slussler carried the load; and the backfield, led by quarterback Chuck Joyce, looked very good in their ball-handling and carrying.

Joyce completed 13 out of 22 passes for 81 yards to establish a McCallum record for number of passes completed in one game. On the rushing side of the ledger Jerry Squyres, another co-captain, racked up 79 of the Knights' 87 yards rushing.

Milby Trounces Knights 33-0

In their second appearance of the season, the Knights were dealt a stunning 33—0 defeat by the powerful Milby Buffaloes of Houston. Led by Ernest Dansby, a 160-pound sophomore fullback, the Buffs rushed for a total of 339 yards.

The Knight offense looked appreciably better than it had during the Miller game. Kernan Gayden, 171-pound senior right halfback, picked up 37 yards in 15 carries into the rock-ribbed Milby line. The leading ball carrier was captain Jerry Squyres who picked up 63 yards in 17 carries.

As in the Miller game, the touchdowns by Milby were scored on defensive letdowns. Dansby scored three times, on blasts of 21, 16, and 2 yards. Quarterback Armando Chapa pitched out to halfback Dick Vaughn for a 21-yard scoring burst, and threw a 48-yard scoring aerial to end Kenneth Kipp.

As usual the Knight line was bolstered by the continuous tackling of linebackers Billy McCann and Riley Parker. On the whole, however, the tackling lacked the savagery exhibited by the stellar Knight defense of early last year.

The Milby Buffaloes move forward, but are stopped by *Gayland Lyles* (80), with *Tommy Powell* (72), coming up in the backfield.

Eagles Claw Knights 36-7

The Carter-Riverside Eagles of Fort Worth dealt the Knights a smashing 36—7 defeat. In losing, however, the Knights were able to push across their first tally of the year.

The Eagles were hard pressed at the onset of the game, but removed all doubt when, right before the end of the first half, fullback Robert Baker burst for a touchdown from 31 yards out to bring the score up to 22—0.

Two lightning-like scores made the tally 36—0. Quarterback Johnny Jones of the Eagles threw a 40-yard touchdown pass to Johnny Terrell for the first tally. Moments later, after the Knights had backed the Eagles up against their own goal line, speedster right halfback Bill Kemp swept around end for 94 yards and the fifth Carter tally.

Following the Eagle kickoff, the Knights moved 72 yards in 14 plays for their touchdown. Senior halfback Jerry Squyres, who was the leading Knight ground-gainer with 69 yards on 17 carries, set up the tally with a nine-yard burst over the center which gave the Knights a first down on the Eagle 5. Quarterback Chuck Joyce sneaked over from the 1 and Eddie Legg converted. Time did not allow another score for either team and the final score read Carter-Riverside 36, McCallum 7.

Chuck Joyce (15) plunges forward for the first touchdown of the season, while *Billy McCann* (71) stops oncomers in the backfield.

Bears Edge Knights 18-14 on Soggy Veterans Field

Playing improved, but still erratic, football the Knights dropped their fourth straight of the 1958 season to a fighting bunch of Edison Bears, 18—14. Led by Jerry Squyres, the Knights almost proved to the hometown fans that the Knights could actually win a football game. Jerry reached a personal high when he racked up 92 yards on 19 carries to raise his career total over 1,000 yards.

As usual, the Knights got off to a bad start. On the first play of the game, halfback Curtis Smith broke over right guard for 74 yards and the first score of the game. However, after that initial surge by Edison, the Knights outplayed the Bears.

The Knights' first tally came late in the second quarter after a Squyres punt return set up a McCallum first down on the Edison 25. Chuck Joyce scored both the touchdowns and the two pointer and the Knights led for the first time in nine games, 8—6.

Late in the fourth quarter, with the Bears leading 18—8, Squyres crashed over from the one to make the final score read 18—14.

Alamo Heights Beats Knights 16-0 After Rain-out

The Alamo Heights Mules, led by versatile tailback Eddie Burkett, wrecked the Knights' hopes of pulling an upset by pushing across a tally in the last few minutes of the game and put the icing on a tight, hotly contested, 16—0 victory.

Burkett, who carried the ball 34 times for a prodigious total of 254 yards, and fullback James Lang led the single-wing Mules on the offensive. For the Knights, it was the defensive play that enlivened the crowd and showed the coaches that the boys could play heads-up ball. Absent from this game were the all-too-familiar long runs, which had usually resulted in a quick six points for the opposition.

The Knights, thoroughly throttled on the offense, had only one moment for offensive cheering during the game, that coming when quarterback Chuck Joyce intercepted a Mule aerial and made a Willie Gallimore-like return of 83 yards and a supposed Knight tally. However, clipping was spotted and the play was nullified. As in every game so far this year, senior Jerry Squyres was the leading Knight ball carrier, netting 48 yards on 9 carries.

The victory bell remained in the Southland as the Rebs pounded out a 26—6 victory over the Knights.

An early Joyce-to-Noble pass setting up a first down on the Rebel 13 was canceled by a holding penalty.

Setting up the first Travis touchdown, a bad snap from the Knight center on fourth down was recovered in the end zone by Rebel Bo Price. Adding two extra points, the Rebs led 8—0. The Rebels scored again before halftime and went in at the intermission with a 14—0 lead.

The plague of long runs returned to haunt the Knights in the second half. John Shaw scored on a 63—yard burst and sub fullback David Burks tallied from 66 yards away.

Late in the game, sophomore David Lindsay pounced on a Rebel fumble on the Travis 7, and on fourth down Chuck Joyce scored for the Knights.

Halfback Jerry Squyres, the city's leading rusher, upped his season rushing total to 402 yards, and his career total to 1,085 yards. Jerry gained 51 yards on 13 carries.

Knights Hold Temple to 14-0 Win

Although they went down to defeat 14—0, the Knights played outstanding ball against a Temple team that was rated a five-to-seven touchdown favorite before game time.

Paced by a dream high school backfield, the Wildcats moved the ball at will between the two thirty-yard lines, but could not operate effectively deep in McCallum territory. So great was the McCallum effort that the Wildcats did not score until well into the second quarter.

Two plays were responsible for the Temple score. The first was a 30-yard burst up the middle by all-state quarterback Don Mraz that set up a first down on the Knight 32. Two plays later halfback Tommy Cartwright scored on a 27-yard quick opener over the right side.

The Wildcats scored the clinching tally in the third quarter on a 11-yard end sweep by Mraz. Although down 14—0, the Knights continued to impress the fans, sportswriters, and the Temple Wildcats with their highly spirited effort.

Senior halfback Jerry Squyres made 73 hard-earned yards on 17 carries. McCallum's other city leader, passer Chuck Joyce, hit on 5 of 11 passes for 47 yards.

Offense - Minded Knights Lose to Broncos 30-12

On Friday November 7, the winless Knights moved to Bryan to engage the Bryan Broncos. Although for the first time of the year the Knights were not rated as underdogs, the end result was virtually the same as the Knights reverted to their early season form on defense and dropped a 30—12 loss to the small but game Broncos.

Looking increasingly better on the offense, the Knights, led as they have been all season by quarterback Chuck Joyce and halfback Jerry Squyres, also unveiled sophomore halfback Martin Tyson, a 160-pounder who racked up 47 yards on 10 carries. With Tyson's outside running and Joyce's passing, the Broncos were forced out of their defenses designed especially to stop Squyres long enough for the Knights' all-district halfback to rack up 61 yards on 15 carries. Joyce, playing perhaps the best game of his career, completed 10 out of 25 passes for 125 yards and engineered the Knights offense that moved the ball at will between the two 25-yard lines. Also, Chuck played his usually fine game at defensive safety.

Chuck and Jerry scored one touchdown each but they were not enough to offset the running of the speedy Bryan backs.

Tigers Claw Knights 40-18

The Knights played their best offensive game of the year when they dropped an exciting 40-18 game to the Waco Tigers in Waco. Jerry Squyres racked up 153 yards on 22 carries, a new school rushing record. Besides Squyres, end Glen Noble also shone as he hauled in three passes for 73 yards.

The Tigers drew first blood as fullback Cary Stratten raced 43 yards unscathed. The Knights immediately fought back as they scored on a 4-yard end sweep by Squyres. However, the big play in setting up the touchdown was a 50-yard pass play from quarterback Joyce to Noble.

After Waco added another touchdown and assumed a 13-6 lead, the Knights, spurred on by Squyres' 44-yard run, came within one point on a fourth-down, five-yard blind side pass from Joyce to junior halfback Mike Rogers.

The Knights' final tally came in the last quarter when Chuck Joyce passed the Knights the length of the field and Squyres crashed over from the four. The Tigers tallied twice more and the final score read Waco 40, McCallum 18.

Maroons Muzzle Knights 22-7

The Knights closed out their winless 1958 football season by dropping a 22-7 game to the Austin Maroons. This defeat left the Knights in the district's football cellar for the fourth consecutive year.

Austin scored first, early in the first quarter. Halfback George Lewis threw a 30-yard touchdown strike to end Larry Mellenbruch. John Limon ran across for the extra points and the Maroons led 8-0.

The Knights came right back, however, as Joyce threw a 53-yard pass to Eddie Legg, giving the Knights a first down on the Maroons 10. Three plays later, Glen Noble took a pass and following Billy McCann's successful conversion, the score was 8-7.

The Maroons scored in the waning moments of the first half and at halftime led, 14-7.

During a second half plagued by fumbles, both teams were unable to get off sustained drives. However, the Maroons tallied once late in the game to make the final score 22-7.

Chuck Joyce had a good night with his aerials, completing 11 out of 17 for 151 yards.

Jerry Squyres picks up more yards in the last showing of his high school football career as he is ambushed by Maroons.

It's mine...James Carter takes the rebound in the season-opener with Bryan. Determination won this game for the Knights and was the start of a series of wins which led to the district title.

Knights win over Bryan. The clash between the Knights and Broncs was the district opener. The McCallum squad, that at times reached the heights on defense and was adequate offensively, breezed by the Broncs 40-32. High point man, Gary McCoy racked up twelve points with the last six in the final two minutes.

Knights get win over Cats. Joe Main's steal of the ball and game-clinching basket in the final minute of play sparked the Knights to a 32-29 triumph over the Temple Wildcats in the second game of the district 13AAAA contest. Main was the leading scorer with thirteen points.

James Carter is the high and mighty of this play as he is in the act of a jump shot which sped on the Knights' victory over Temple.

McCallum takes lead in district scramble. The McCallum Knights made a shambles of Waco's fast-breaking offense in the Waco Gym in the third district game, while taking a 35-31 triumph. Hank Rothell's free throw efficiency netted him game scoring honors with thirteen points.

Knights run past Rebels. The McCallum Knights squad finished registering their fourth straight district victory without a setback as they slipped past the Rebels 41-32. Rothell led the Knights with thirteen points, eleven in the first quarter, with McCoy and Main sharing runner-up honors with nine each.

I'll take this one...James Carter (25) makes for the rebound accompanied by Hank Rothell (21) and opponents, Austin Maroons.

Maroons knock Knights, 38-33. The fired-up Maroons just were not to be denied as they beat the Knights at their own game— rebounding and shooting free throws. The game was tied twice and the Knights took the lead once but could not hold it. Joe Main led a rally in the last quarter but could never pull ahead.

McCallum holds lead with win. With their 13-AAAA leadership at stake, the Knights rose to the occasion to thump the Bryan Broncos, 41-29 and remain one game ahead of the pack. McCoy totaled up the most points with six from the field and four free throws.

A well-known scene on the court during a McCallum basketball game is Joe Main (10) bringing the ball back into combat as Gary McCoy (23) is ready for action.

Knights Take Cage Thriller. In their hair-raising 52-49 sudden-death overtime win over Temple. It left the Knights still holding the lead in the district 13AAAA contest. Main, who scored 18 points over-all and 14 in the last half, hit a jump shot to hand the Knights a 50-49 lead that sent them on their way in the closing minutes.

Knights Nip Waco. There were many stand-outs in this clash of the Knights and Tigers. Hank Rothell and Joe Main led the scoring with 8 points each followed by Gary McCoy and James Carter with 7 each. Carter, Rothell, Ben Trotter and Van Reese did a magnificent job on the boards. Trotter was especially impressive.

SFA beats Knights on the backboards. McCallum flashed an unusual zone defense as the game opened—but a bombardment quickly brought the Knights into a man-for-man. Mastery on the backboards by Austin off-set a fine shooting performance by the Knights. The game ended 34-30.

Knights win over Rebs. The Knights wrapped up the school's first class AAAA basketball title with the win over Travis Rebels, 40-38. The title-clinching victory didn't come easy for the Knights as they were forced to put on one of their pressurized fourth quarter stalls to preserve the win against the fired-up Rebels. Joe Main, Gary McCoy, and Ben Trotter worked the stall to perfection. The Rebels were still rebounding to tie the game when the final buzzer sounded and left the score 40-38.

Knights Trounce Buccaneers 49-39. The Knights made history with their 49-34 bi-district win over Miller of Corpus Christi. The Knights cashed in 23 free shots; the Bucs, 14. The first quarter ended in a tie, but the Knights pulled ahead in the second quarter to lead till the finish. During the contest Ben Trotter, James Carter, and Hank Rothell fouled out and Joe Main took high point honors with 15.

Tigers Trip Knights 63-58. The Laredo Tigers halted McCallum's Knights on their climb to state playoffs on the last rung of the ladder in Alamo Stadium Gym on February 28. The Knights controlled the game until the fatal fourth period. In this last quarter, Chalo Molina and Company forged ahead, then went into a stall that put the unexpected final touch on the score, 63-58. Gary McCoy was high for the night with 18 points; he was followed by Hank Rothell, 15; Joe Main, 11; and Ben Trotter, 8.

The Student Council is probably the most important organization in the school, for it furnishes a means by which the students at McCallum learn of the democratic process. The Student Council has tried especially hard this year, to bring the individual more into the picture in school government. A system of voting in booths by means of secret ballot was introduced to make the elections on a more personal level. The Student Council also performs important civic functions, such as sponsoring the Red Cross drive, the shoe fund drive, and helping needy families at Christmas. Other accomplishments of the Student Council this year include a number of dances, an improved method of electing cheer leaders, and a more satisfactory lunch period arrangement.

The *Shield* staff, under the direction of Miss Norma Jean Barber, the sponsor, and Don Tew and Sharon Feuerbacher, the co-editors, has become one of the most important organizations at McCallum. The student body looks forward to the next edition of the *Shield* with great anticipation, and the interest shown by every student in the bi-weekly paper is merited by the hard-working staffers. Not only does the paper report the news accurately, but also it works to promote good citizenship and school spirit. The *Shield* staffers often burn the mid-night oil to meet the all-mighty deadline, and the result of their efforts provides interest, humor, and food for thought for every student at McCallum.

But all is not hard work for the *Shield* staff. Every year a banquet is held in cooperation with the annual staff, and one of the highlights of the year is the initiation of the new editors—who are ducked at the *Shield* picnic.

The Knight staff members are well-known for their ability to combine business with pleasure. The business end, compiling an annual, is not as easy as it may seem. Long hours are spent scheduling pictures, identifying those pictured, writing copy, and setting-up an interesting and clever page lay-out. There is a lot to be learned on the staff, such as: what is pleasing to the eye, and how to focus attention on one particular picture. The seventh period work hour during school time is enlivened by the cheerful attitudes of the *Knight* staffers, making the work seem light. The joint Publications Banquet in the spring and the early summer *Knight* party, given by the editor, are the big social events of the year.

Probably no club at McCallum works harder and accomplishes more than the Royal Court Players. Under the direction of Mr. Jim Collins, the sponsor, they present plays and programs, and perform civic duties throughout the school year. Almost every high school has a dramatic organization, but the club at McCallum is really unique. Each year they present a top Broadway hit musical, which in Hollywood terms would be called "a spectacular." This year they presented "The Wizard of Oz," even taking it to the Coliseum for a benefit performance. With a cast of over one-hundred, the "Wizard" was the largest student production in Texas. In addition to the many plays presented each year, the club also presents the annual Queen of Hearts Ball and performs civic duties in cooperation with the Student Council.

The members of the Na-ional Thespians form the nucleus of the Royal Court players and re engaged in the same productions and activities.

"To always help others"—this is the motto of the Taho Y-teens. Since the tenth grade this group of senior girls has been striving to live up to this high ideal. The work must be rewarding, for the club has all the original members except those who have moved from Austin. In striving to accomplish their goal, the club members have gone caroling at the Confederate Home; prepared a basket of food, clothing, and gifts for a needy family; and personally undertaken to help an underprivileged girl in one of the high schools. To finance these projects and other activities, the Taho's have sold light bulbs, stationery, Halloween candy, conducted bake sales, passed out circulars, and washed cars. Such a hardworking group certainly deserves the trips to Galveston and Mexico City that their fund-raising projects made possible.

Corrie Hornburg must be telling an interesting story at the dance and slumber party held at the YWCA.

The attentive faces of some of the y-teens members show the interest they show in their weekly meetings.

An organization of senior girls, the Bafta Y-teens, though a relatively new club, has been very active. The girls established their group in November of their junior year, on the principle that the club would be open to every girl who qualified in age. During the first year, the Bafta Y-teens helped a needy family for Christmas and Thanksgiving, sold stationery and had a bake sale to raise money, and made Easter baskets for the Austin State School. For fun the girls had a party at the "Y", a hike, a picnic, and other get-togethers. In their senior year, these active misses sold forget-me-nots to benefit veterans and candy to raise money. Plans for the future include sponsoring a family at Thanksgiving, and many more fun-filled parties.

A Fides Y-Teen is an asset to McCallum High School
nd the community. The members of this club perform
service project every month. At Christmas they pro-
ded for a needy family; at Thanksgiving it was a bake
le to help the people at an old folks home. These ser-
ce-minded girls have also sold poppies for the Veterans
Foreign Wars and wrapped gifts for the State Hos-
tal Christmas party. But all work and no play makes
ne a dull girl, so the members have planned a trip to
orpus Christi for the gay festival on Buccaneer Day.

The officers of the Fides Y-Teens are Linda Loney, treasurer; Rebecca Kirkpatrick, reporter; Jyme Mathews, sergeant at arms; Patsy Wolff, sergeant at arms; Karen Donahoe, secretary; Carol Frantz, president; and Judy Harrison, vice- president.

Doba Beata

The Doba Beata Y-teens, a group of eleventh grade girls, is one of several y-teen clubs at McCallum. All of these clubs are very active in service projects; the Doba Beata club this year conducted a calendar selling campaign, cake sale, and light globe sale to raise money for their projects. The money earned in this manner financed a needy family at Thanksgiving. The civic-minded members also made regular visits to an old-folks home to cheer the patients and brighten their lives with gifts of flowers. Such a considerate group certainly deserved the weekend trip to a dude ranch that they took last year. This year they plan a similar trip if they have sufficient funds left after their service propects.

The Latinatores

Second year and advance Latin students joined together this year for the first time in one club, the Latinatores. Although the members hold their biweekly meetings during different periods of the day and elect different officers, the organization functions as a unit under one constitution. At each meeting, a program connected in some way with Latin is presented. The big social function of the year is the annual Latin Banquet, held during Latin Week. Everyone present is supposed to attend in Latin dress, and the meal and entertainment are as nearly Roman as possible. At the end of each year, the Latinatores present some contribution to the Latin Department.

The class meets every morning before school, since the students leave school early to go to their jobs. Their employers work with the school to train these young people. The DE-ers' projects include a successful pancake supper; an Employer Employee dinner at the end of the year in conjunction with the other Austin high schools; the annual Christmas project, giving a party at one of the state institutions; and a picnic for McCallum DE members.

The 40 club members have had a chance to get real hospital experience, with the new members taking an orientation at one of the hospitals and the old members taking a home nursing course. The Home Nursing Course will enable the members actually to work with patients. The club has also planned several field trips, one of which will be to Brooks AFB Hospital in San Antonio. Several money-making projects will enable the club to send two delegates to the State Future Nurses Convention where they hope to get a McCallum girl elected to a state office.

The Girls' Intramurals Club is made up of girls particularly interested in sports. During their meetings, the girls learn to be good officials so that they will be qualified to help in after-school games. Also during their Thursday meetings, the Intramural members spend time in social recreation since the club period is so short. The girls aid Miss Slaughter, club sponsor, in planning the intramural program for McCallum girls, as well as helping with Tri-School Sports Days. Throughout the year, these active young ladies participate in an interesting and enjoyable sports program.

The officers are Miss Rice, sponsor; Buck Brown, sergeant at arms; John Boland, secretary, Arthur Williams, treasurer; and Richard Ingram, vice-president.

The Junior Engineering Technical Society is an organization mainly for those interested in an engineering career. It provides the chance to get practical, firsthand experience and expert instruction in any engineering project undertaken. The School of Engineering at Texas A&M furnished each member with an official club pin, which is a silver slide rule with JETS written on it. The national headquarters, in East Lansing, Michigan, offers scholarships to deserving JETS. An especially good project may be entered in the Engineering Exposition held each May at Michigan State University. The JETS are working for a more productive future through engineering.

The Junior Powder Puff League is an active group of unior girls who meet during the regular club period for irl-talk and a discussion of mutual problems. When Mc-allum was young, girls from all grades joined in one owder Puff League, but now, because of the interest nd large membership in this organization, each grade as its own league. To encourage school spirit, the Puf-ers made little voodoo dolls, representing a football foe, nd sold them to McCallumnites, who 'hexed' them with ins. The Junior Powder Puff members adopted a child rom the state home and sent Christmas cards, birthday rds, and other remembrances. They also planned to ve parties for groups of children at the state home.

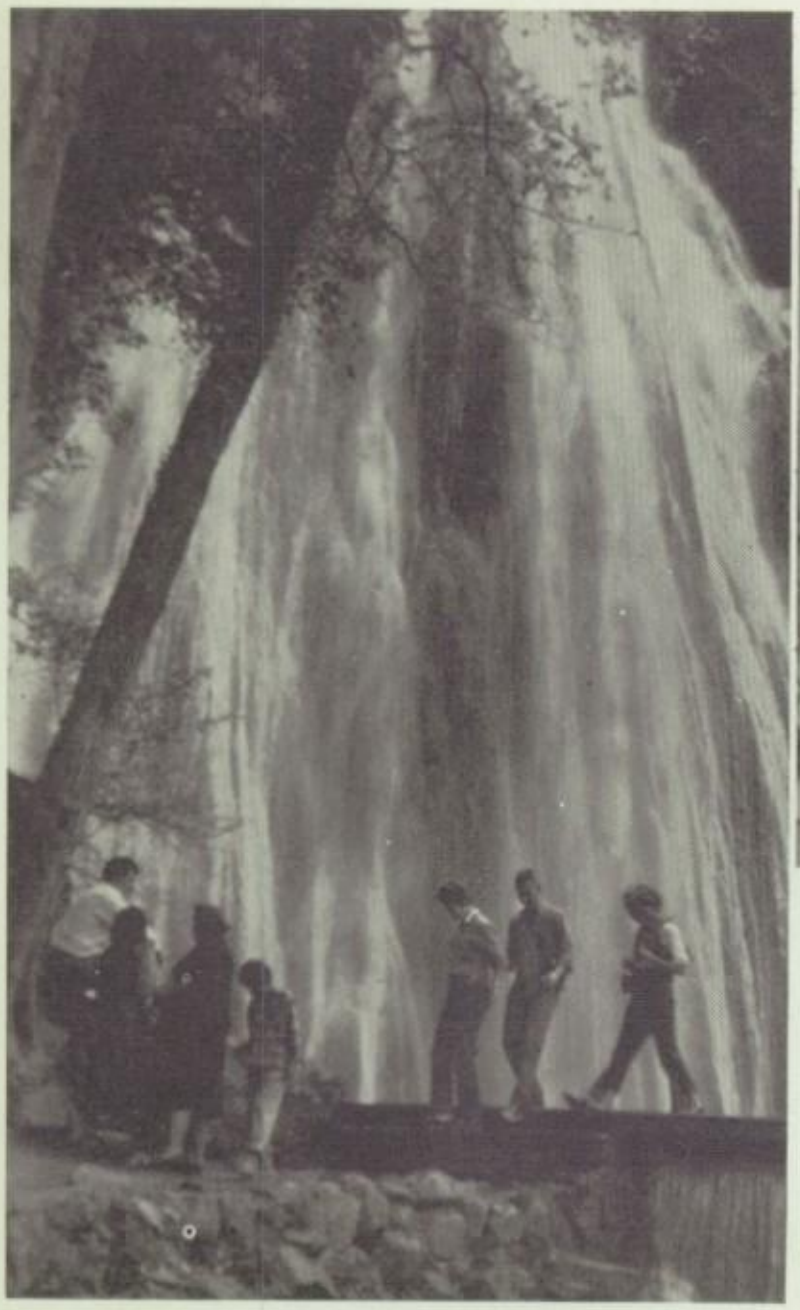
The officers are Margaret Christie, reporter; Eugene Reeder, president; Elaine Berg, second vice-president; Paul Bloebaum, treasurer; Dinah Hallmark, secretary; Jimmy Shafer, first vice-president; and Susan Milburn, parliamentarian.

The Pan American Club is made up of McCallumites who are interested in the Spanish language and the country of Mexico. The Pan-Amers sold donuts after school and held candy sales and rummage sales. A very successful enchilada supper was put on in the fall. The climax of the year was a fun-filled trip to Monterrey, Mexico, which the Pan-Am members had worked very hard for.

Pan-Am Trip

The high point of the year for Pan-American Club members was the trip to Monterrey, Mexico, during the Christmas vacation. On this page are pictures taken on that trip.

Mrs. Sledge, sponsor and chaperone of the trip, Elaine Berg, and Martha Smith chat happily against a background of lofty mountains and a small village. This picture was taken atop a restaurant at Horsetail Falls.



Against majestic Horsetail Falls, Pan-Amers Mary Helen Thomas, Jimmy Shafer, Paul Bloebaum, and Susan Milburn join a Mexican family in enjoying the view.

Dianna Sledge (daughter of the sponsor), Susan Milburn, Nina Austin, Karen Yoho, Ann Weiss, Elaine Berg, and Eugene Reeder pause in their attempt to lower a potted plant from the balcony of the hotel to a patio below.

In back of their hotel-home in Monterrey, Elaine Berg, Mary Franklin, Margaret Christie, Nina Austin, and Emily Smith stop as they prepare to go out.

The members of the Chess Club are first row: Paul Gainer, Paul Hill, Johnny Rash, Berney Linder, Richard Price, Gaylord Magnuson, Charles De Veau, Paul Cherry, Lieuen Adkins, David Taylor, Charles Jones, and Russell Johnson; second row: Mr. C. D. Anderson, sponsor, Wayne Smith, Roy Morey, Jimmy Jackson, Nick Von Kreisler, Ted Gage, Gene Spaulding, Harry Pruett, Tommy Jackson, John Rogers, Bill Hagerty, and Dianne Holder.

Chess Club

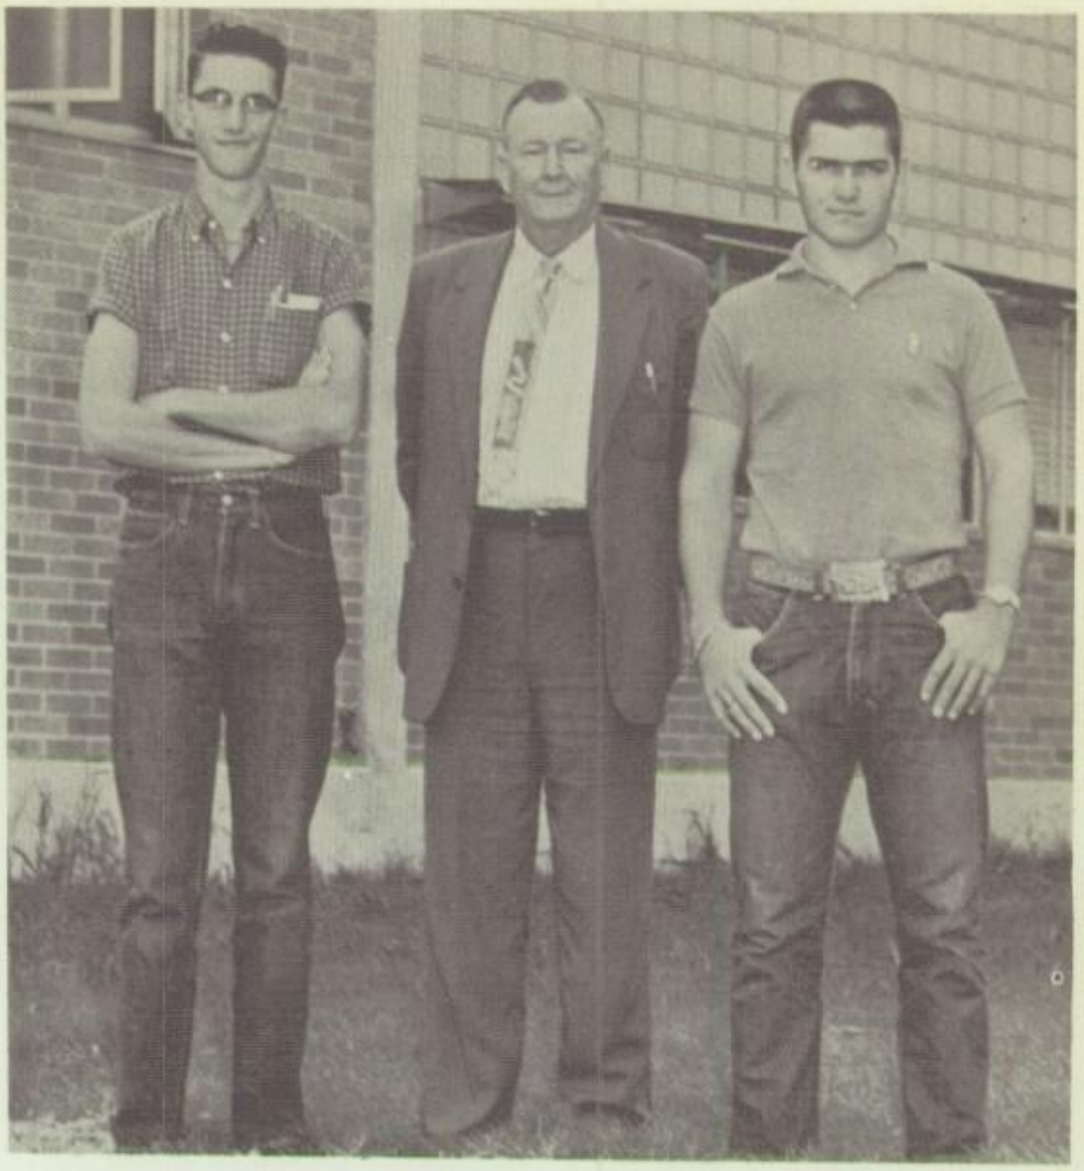
The officers are sergeant at arms, Gaylord Magnuson; vice-president, Paul Cherry; sponsor, Mr. C. D. Anderson; president, Roy Morey; and secretary-treasurer, Nick Von Kreisler.

The Chess Club, organized last year, has shown tremendous growth this year. The original membership of 8 has grown to a grand total of 26, indicating that the game of chess is truly a fascinating pastime. Many of the new members are not familiar with the game, and part of the time of each club period is spent teaching these new converts the fundamentals of the game. Also discussions designed to acquaint the more advanced members with methods of attack and defense are carried on. Whether teaching new members to play or just enjoying a friendly game themselves, the members of the Chess Club are truly enjoying their club periods this year.

Rod and Gun Club

The Rod and Gun Club was organized by Tommy Smith the year McCallum opened. Each year the club has more than 40 members with a waiting list of from 60 to 80. Once one becomes a member, he may continue from year to year without joining again. The Rod and Gun Club is more educational than one might think. Pictures on the safe use of firearms are shown, and guest speakers such as game wardens, highway patrolmen, fishermen, and hunters tell of hunting and fishing laws and safety. This is the first year that girls have been admitted, even though there have been a number of applicants every year.

Mr. A. R. Sallee, as sponsor, tries to teach the members to enjoy the cleanest sport on earth—one that has a carry-over all through adult life. He shows them the need of laws and officers—that they are the hunters' and fishermen's best friends, protecting and restocking game and fish to provide outdoor recreation for everyone.



The officers of the Rod and Gun Club are: James Kitchens, president; Mr. Sallee, sponsor; F. H. Becker, vice-president and treasurer.

ne members are: Bill Parks, Howard Mays, Charles Kownslar, Ronnie Collier, Gilbert Dement, John Crawford, Dicky Johnson, Jim vis, Bobby Siddons, Cookie Baumel, Gene Davis, John Dicker; second row: Mr. A. Talents, Incorporated was organized at McCallum in September, 1956, with seven charter members. The large membership of today consists of students who have pooled their talents and social service instincts. During the school year Talents, Incorporated presents variety shows at the Austin State Hospital, the Austin State School, and various veterans' hospitals. T I members also participate in such benefit shows as the Shoe Fund Assembly and perform at parties given by private and civic organizations. Members of Talents, Incorporated work exceptionally hard to develop their talent for the enjoyment of McCallumnites. The idea for all the acts originates with the performers, then Mrs. Browning, the sponsor, helps perfect them. Talents, Incorporated is a non-profit organization.

They have been able to get actual driving experience, and in a brand-new model. They have had speakers and discussions during the club period, always emphasizing safety behind the wheel.

The members presented lectures to the group during regular meetings, and several outstanding guest speakers appeared from the University of Texas. The year's work will be climaxed with a banquet in the spring.

The officers are David Murphy, vice-president; Charles Yett, sergeant at arms; Jimmy Rash, treasurer; Brucie Cavett, secretary; Bill Wittner, president.

Senior Powder Puff League

The officers are Kay Carter, program chairman; Mary Helen Metcalfe, vice-president; Barbara Allen, president; and Betty Green, secretary-treasurer.

The Senior Powder Puff League this year has taken "good grooming" as its goal. They have had guest speakers to give them expert advice on the fine points of beauty care. Films on hair styling and make-up application from leading beauty firms have also increased their knowledge of and ability in grooming. These young ladies realize that wearing the proper clothes to certain functions is just as important as being well groomed. Therefore, they have given much attention to appropriate dress and manners. Above all, they wish to acquire poise.

he officers are first row: Cynthia Irelan, reporter; Patty Wier, orks and projects; second row: David Custer, secretary-treasurer; hn Craig, president; and John Giesecke, vice-president.

The Sketch Club has probably the workingest club period of any of our Thursday clubs. As soon as the bell rings, the more than thirty members rush in and break out the tools of their trades: brushes, paints, glitter, and other art materials. With this equipment they set about their tasks, for this club has undertaken a great deal of work. The many unusual but artistic posters that we have all seen around our halls were drawn by this helpful group, for they do art work for any worthy organization that requests it. They also have done service work on their own. Last year they built mobiles and puppets for veterans' hospitals and children's hospitals, bringing a bit of beauty and cheer into the otherwise colorless wards.

The Slide Rule Club of McCallum was organized for the first time in the Fall of 1958. The nine charter members, eight boys and one girl, petitioned successfully for the founding of this club. The purpose of the Slide Rule Club is to teach the members agility and accuracy in the manipulation of a slide rule as an aid in mathematical problems. The members strive to learn new techniques during their regular meetings and each boy and girl must gain speed in working a slide rule by practicing in their spare time. During club sessions, contests are held in manipulation and a small prize is awarded to the operator whose speed and accuracy show him to be the most proficient.

In order to get the most out of busy club meetings, socializing is kept at a minimum. Social functions are planned to make up for this. One of the proposed parties is a Christmas weiner roast-dance, with no slide rules along.

Slide Rule Club

The members are first row: Jimmy Lynch, John Whitaker, James Sutton, La Jean Chaffin, Mrs. Turk, sponsor; second row: Ste

Track Club

The officers are: Gentry Lee, reporter; Kenneth Chance, sergeant at arms; Bobby Boyd, secretary-treasurer; Mr. Grover Emerson, sponsor; Jeran Hooten, vice-president; Gene Mallard, president.

The Track Club is composed of a group of boys who are interested in track and field athletics. During the club period, movies are shown and discussions are held to create further interest and participation in the boys' favorite sport. The major activity of the Track Club concerns helping the track team by increasing school interest in the sport and providing actual assistance to the members of the track team.

The officers are Becky Reese, vice-president; Sharon Carruth, treasurer; Nancy Staples, secretary; and Jo Ann Hammack, president.

A large number of sophomore girls banded together to form the Sophomore Powder Puff League. During their regular club meetings, they hold discussions on modeling, proper application of cosmetics, and the use of other beauty aids. They constantly strive for good grooming and poise. They are mindful of their own appearance, but they also think of those less fortunate than they. Along this line, they have planned a party for the orphans at the Home of the Holy Infancy.

Young People's Christian Association

The Young People's Christian Association was first organized at McCallum in the spring semester of 1957. Mr. Robert E. Teel has been the sponsor since the club's beginning. At first, there were twenty members. Now the membership has decreased somewhat, but the members feel that the purpose of the Y.P.C.A. justifies its existence. As the name implies, the club is composed of Christian teenagers. The members join together during their meetings for short devotional programs and good fellowship.

The officers are: Patsy Fleet, vice-president; Sandra Hanson, secretary; Margie McIntyre, president; Sally Bowmer; program chairman; Joyce Drosche, devotional chairman.
